

CWC Sea Sprites Competitive Program Volunteer Commitment Form

The CWC Sea Sprites runs on the power of volunteers. If your swimmer is in the water, CWC Sea Sprites will require you to volunteer your time. Three areas need to be covered:

1. **ADMINISTRATION:** The administration of the CWC Sea Sprites which includes the executive, team representatives, fundraisers, photos, newsletter, clothing registrar, social representative, web-site coordinator, and meet manager, etc.
2. **SEA SPRITE HOSTED MEETS:** When the Sea Sprites hosts a meet we will require one person available per family for each day of the meet. For each day of the meet you are not, available your account will be billed \$150.00. We require many hands to successfully host meets. Sea Sprites does not usually host a meet each year, often-alternate years.
3. **WATER SHOW:** Please consider assisting in some way with the year end water show to ensure we successfully highlight our swimmers and attract future swimmers.
4. As a parent of a Sea Sprite swimmer failure to volunteer in these areas will result in a penalty of \$200.00.
